7. PRIZE MONEY: See inside front cover
8. The Committee reserves to itself the right to refuse entries.
9. Puppies under six calendar months of age on the first day of the Show are not eligible for exhibition.
10. The mating of bitches within the precincts of the Show is forbidden.
11. **Best Puppy in Show** From 1st January 2017, and for a period of one year the Kennel Club Show Regulations which stipulate that dogs must be entered and exhibited in a breed class before exhibiting in an Any Variety Class/Stakes Class and that only unbeaten dogs are eligible to compete in the group or best in show competitions are suspended.

Where a Best Puppy in Show competition is scheduled the Best Puppy in Show is a puppy which has competed and is unbeaten by any other puppy exhibited at the same show. A puppy is a dog of six and not exceeding twelve calendar months of age on the first day of the Show. Where the Best of Breed, Best in Group or Best in Show is a puppy it should automatically be awarded Best Puppy in Breed, Best Puppy in Group and Best Puppy in Show respectively. Similarly, if the Reserve Best of Breed, Reserve Best of Group or Reserve Best in Show is a puppy which has only been beaten by an adult dog it should also automatically be Best Puppy in Breed, Best Puppy in Group and Best Puppy in Show respectively. Consequently, selection of Best Puppy in Breed, Best Puppy in Group and Best Puppy in Show must follow the selection of Best of Breed, Best in Group and Best in Show respectively.

Show Judged on the Group System Best Puppy in Group and subsequent Group placings must be selected from puppies which have been judged and which are unbeaten by any other puppy. Best Puppy in Show must be selected from the Best Puppy in Group winners provided they are unbeaten by any other puppy.

Withdrawal from Competition Puppies which become eligible for Best Puppy in Group and Best Puppy in Show maybe withdrawn from all other competition, other than Breed Classes and Best Puppy in Breed, prior to the competition for Best Puppy in Group and Best Puppy in Show in order to remain unbeaten. A puppy beaten in competition for Best Puppy in Group and Best Puppy in Show may subsequently be exhibited in all competition for which it was previously eligible. The dog declared Best Puppy in Show, however, must not compete in any subsequent competition.

Puppies may be withdrawn from Any Variety (AV) Classes when judged before Breed Classes.

Proviso For the purpose of this Regulation, dogs beaten in competition for Stud Dog, Brood Bitch, Progeny, Brace and Team or a Special Award confined to one breed will not be considered to be a beaten dog

12. **Best in Show** From 1st January 2017, and for a period of one year the Kennel Club Show Regulations which stipulate that dogs must be entered and exhibited in a breed class before exhibiting in an Any Variety Class/Stakes Class and that only unbeaten dogs are eligible to compete in the group or best in show competitions are suspended

The dog declared Best in Show is a dog which has competed and is unbeaten by any other dog exhibited at the same Show.

Shows Judged on the Group System (Definition; Shows judged on the Group System includes classes for breeds within more than one group, as defined in Kennel Club Regulation B(A); and require a judge to declare a best of each group after which the exhibits so declared will compete for the award of Best in Show and Reserve Best in Show.)

1) **Best of Breed** Where a breed is separately classified a Best of Breed may be declared but only from those dogs which have received a first prize in a breed class at the show. Where separate classes are provided for each sex of a breed a Best of each Sex must be declared.

2) **Best of Group** From 1st January 2017, and for a period of one year the Kennel Club Show Regulations which stipulate that dogs must be entered and exhibited in a breed class before exhibiting in an Any Variety Class/Stakes Class and that only unbeaten dogs are eligible to compete in the group or best in show competitions are suspended.

Best of group and subsequent placings must be selected from:-

- a) The Best of Breed winners in each group provided that they are unbeaten winning dogs.
- b) The best unbeaten winning dog from the Any Variety Not Separately Classified classes in each group or on each day.

3) **Best in Show** From 1st January 2017, and for a period of one year the Kennel Club Show Regulations which stipulate that dogs must be entered and exhibited in a breed class before exhibiting in an Any Variety Class/Stakes Class and that only unbeaten dogs are eligible to compete in the group or best in show competitions are suspended.

Best in Show must be selected from the Best of Group winners provided they are unbeaten. Reserve Best in Show must be selected from the remaining Group winners following the selection for Best in Show.

Withdrawal from other Competition Dogs which become eligible for Best of Group and Best in Show maybe withdrawn from all other competition other than breed classes and Best of Breed prior to the competition for Best of Group or Best in Show as appropriate in order to remain unbeaten. A dog beaten in competition for Best in Group or Best in Show may subsequently be exhibited in all competition for which it was previously eligible. The dogs declared Best in Show and Reserve Best in Show however, must not compete in any subsequent competition.

Dogs may be withdrawn from AV Classes when judged before Breed Classes.

Proviso For the purposes of this Regulation, dogs beaten in competition for Stud Dog, Brood Bitch, Progeny, Brace and Team or a Special Award confined to a single breed, will not be considered to be beaten dogs.

13. Exhibits will not be admitted to Best in Show competition after a period of ten minutes has elapsed since the announcement that exhibits are required for judging, unless they have been unavoidably delayed by previous judging not being completed on time, and then only with the special permission of the Show Management..
14. Exhibitors must not pick up dogs by their tails and leads when lifting them. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and re-

ports of such practice will be referred to the Committee under Kennel Club Show Regulation F11

15. It is not acceptable to handle a dog in a manner which causes its feet not to touch the ground when on the move. Exhibitors should note that such practices could constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11
16. All exhibitors must be familiar with Kennel Club Regulation F (Annex B) Regulations for the Preparation of Dogs for Exhibition.
17. All dogs resident outside the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.
18. **DOGS IN VEHICLES ON HOT DAYS**

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations.

Right to Refuse Entries: Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulation to refuse any entry. Show Schedule Notice to be reproduced

19. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.
20. No modifications will be made to the schedule except by permission of the General Committee of the Kennel Club, which will be followed by advertisement in the Canine press wherever possible.

DEFINITIONS OF CLASSES

In the following definitions, a CC includes any Show award that counts towards the title of Champion under the Rules of any governing body recognised by The Kennel Club.

Wins at Championship Shows in breed classes where CCs are not on offer shall be counted as wins at Open Shows.

In the case of a dog owned in partnership and entered in Members' classes or competing for Members' Specials each partner must at the time of entry be a member of the Society.

In estimating the number of awards won, all wins up to and including the seventh day before the date of closing of entries shall be counted when entering for any class i.e. 23rd June 2009

Wins in Variety classes do not count for entry in Breed classes but when entering in Variety classes, wins in both Breed and Variety classes must be counted. A first prize does not include a Special Prize of whatever value

A dog is not eligible for entry in Variety Classes unless also entered and subsequently exhibited in a Breed class where such a class is provided for which it is eligible. Exemptions from this Regulation are:-

- 1) A puppy, unless a class for dogs under twelve months of age for which it is eligible is provided for the breed.
- 2) A dog in Any Variety Veteran Class.
- 3) A dog in Any Variety Champion Class
- 4) A dog which is withdrawn from exhibition in breed classes as a result of the appointment of an emergency judge.

If an exhibitor reports before the judging of a class or classes that a dog has been entered which is ineligible, the exhibitor may choose one of the following options:-

WITHDRAWAL: The dog may be withdrawn from competition subject to the conditions of Regulations 9(j) and 20.

TRANSFER: If a dog is ineligible for a class or classes as regards its breed, colour, sex, weight or height the Show Secretary shall transfer it to the equivalent class or classes for the correct breed, colour, sex, weight or height or, in the event of there being no equivalent class, Minor Puppy and Puppy excepted, to the Open class for the correct breed, colour, sex, weight or height.

For an exhibit entered incorrectly in a Minor Puppy class, Puppy class or Junior Class, which is over age but under twelve calendar months of age, eighteen calendar months of age or twenty-four calendar months of age respectively, the Show Secretary shall transfer the exhibit to the Puppy Class, Junior Class or Yearling Class respectively for the correct breed, colour, sex, weight or height and in the event of there being no Puppy, Junior or Yearling Class to the Open class for the correct breed, colour, sex, weight or height.

For any reason other than the above, the Show Secretary shall transfer it to the Open class for the correct breed, colour, sex, weight or height.

If an exhibit arrives late and misses a class, even if it is the only class in which the dog is entered, the dog may not be transferred to any other class.

PUPPY For dogs of six and not exceeding twelve calendar months of age on the first day of the Show.

JUNIOR For dogs of six and not exceeding eighteen calendar months of age on the first day of the Show.
