IMPORTANT CHANGES TO LEGISLATION ON SHOWING DOCKED DOGS IN NORTHERN IRELAND

RULES CHANGE FOR SHOWING DOCKED DOGS IN NORTHERN IRELAND

The Kennel Club would like to inform exhibitors in Northern Ireland that dogs docked in the country after 1st January 2013 are no longer eligible to be shown at events where the exhibitor pays an entry fee or members of the public pay an admittance fee.

The Department of Agriculture and Rural Development (DARD) has updated the Welfare of Animals Act (Northern Ireland) 2011 to ban any dog docked after this date from being shown in Northern Ireland. Dogs docked before this date may still be shown under current legislation.

The Welfare of Animals Act (Northern Ireland) 2011 Section 12 states that: ‘A person commits an offence if – (a) that person shows a dog at an event for which that person pays a fee or to which members of the public are admitted on payment of a fee, (b) the dog’s tail has been wholly or partly removed (in Northern Ireland or elsewhere), and (c) the removal took place after the coming into operation of this section.’

The Kennel Club is of course obliged to follow DARD’s regulations and will therefore be including the new rules in show schedules for all Kennel Club licensed shows in Northern Ireland.

All show schedules for Kennel Club licensed shows in Northern Ireland will now include the following:

“A dog which had its tail docked on or after 1st January 2013 cannot be shown at events where the exhibitor pays a fee or members of the public pay an admittance fee.”

For more information or clarification on the updated legislation, please contact the Northern Ireland Department of Agriculture and Rural Development by visiting <http://www.dardni.gov.uk/>, emailing dardhelpline@dardni.gov.uk or alternatively telephone 0300 200 7840. ANGES

4. The show will close half an hour after judging has been completed by which time dogs must be removed. Exhibits may be removed from the show after their judging has been completed. Exhibits may not be removed any earlier unless by written order of the Veterinary Surgeon, Veterinary Practitioner or the Show Management and then only in very exceptional and unforeseen circumstances which must be reported to the Kennel Club.
5. The use of cooking stoves in the proximity of the tenting and benching areas is forbidden except as authorised by the Show Management.
6. The entry fee per class is Member's £13.00, Non-member's £15.00, NFC FREE, Veterans FREE, Subsequent entries with the same dog £2.00. Prepaid Catalogues - £2.00 with entries £3.00 on the day (limited number available)

9. Puppies under six calendar months of age on the first day of the Show are not eligible for exhibition.
10. The mating of bitches within the precincts of the Show is forbidden.
11. **Best Puppy in Show** Where a Best Puppy in Show competition is scheduled the Best Puppy in Show is a puppy which has competed and is unbeaten by any other puppy exhibited at the same show. A puppy is a dog of six and not exceeding twelve calendar months of age on the first day of the Show. Where the Best in Show is a puppy it will automatically be Best Puppy in Show. Similarly, if the Reserve Best in Show is a puppy which has only been beaten by an adult dog it will also automatically be Best Puppy in Show. Consequently, selection of Best Puppy in Show must follow the selection of Best in Show. Best Puppy in Show must be selected from puppies which have been judged and which are unbeaten by any other puppy. Puppies which become eligible for Best Puppy in Show may be withdrawn from all other competition, other than Breed Classes prior to the competition for Best Puppy in Show, in order to remain unbeaten. A puppy beaten in competition for Best Puppy in Show may subsequently be exhibited in all competition for which it was previously eligible. The dog declared Best Puppy in Show, however, must not compete in any subsequent competition. Proviso: For the purpose of this Regulation, dogs beaten in competition for Stud Dog, Brood Bitch, Progeny, Brace and Team or a Special Award confined to one breed will not be considered to be beaten dogs.
12. **Best in Show** The dog declared Best in Show is a dog which has competed and is unbeaten by any other dog exhibited at the same show. Best in Show must be selected from the exhibits declared Best of Sex provided they are unbeaten winning dogs. Reserve Best in Show must be selected from the Best Opposite Sex and the Reserve Best of Sex to the exhibit declared Best in Show. The dog declared Best in Show and Reserve Best in Show must not compete in any subsequent competition. Dogs which become eligible for Best in Show may be withdrawn from all other competition, other than breed classes prior to the competition for Best in Show as appropriate in order to remain unbeaten. A dog beaten in competition for Best in Show may subsequently be exhibited in all competition for which it was previously eligible. The dogs declared Best in Show and Reserve Best in Show however must not compete in any subsequent competition.
13. Exhibits will not be admitted to Best in Show competition after a period of ten minutes has elapsed since the announcement that exhibits are required for judging, unless they have been unavoidably delayed by previous judging not being completed on time, and then only with the special permission of the Show Management.
14. No modification will be made to the schedule except by permission of the General Committee of The Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.
15. All exhibitors must be familiar with Kennel Club Regulation f (Annexe B) Regulations for the Preparation of Dogs for Exhibition.
16. All dogs resident outside the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.

18. Not for competition entries will be accepted. Details of each dog so entered must be recorded on the entry

form and must be Kennel Club registered.

19. Any owner, exhibitor, handler or other person in charge of a dog is requested to remove as soon as possible any fouling caused by their dog (s) at any Kennel Club Licensed Show within the licensed venue and within the Environs of that event including car and caravan parks and approaches. Adequate receptacles for the disposal of such fouling will be provided.

DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is likely to feel much hotter and dehydrated and this could lead to dire results. Please look after your dog's welfare.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations.

Right to Refuse entries. Exhibitors/ Competitors are reminded that show societies have the right under Kennel Club Regulations to refuse any entry.

Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm. Please take care of your dog. If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused.

WE WOULD ASK ALL EXHIBITORS TO OBSERVE THE FOLLOWING

1. Plastic sacks will be placed around the ring, would exhibitors place all rubbish in these.
2. In case of dogs fouling anywhere within the Show grounds would exhibitors please clean up immediately

N.B. To enable the Club to keep the venue:

PLEASE KEEP THE VENUE CLEAN AND USE EXERCISE AREAS PROVIDED.

IMPORTANT MESSAGE FROM
THE BOXER BREED COUNCIL HEALTH COMMITTEE

Juvenile Kidney Disease has been reported as a possible health problem in Boxers. So far the reported cases are consistent with an occurrence of less than 0.1% within the UK Boxer population, however we cannot be complacent and this number may simply mean that not all cases are being reported. Boxer Breed Council is therefore encouraging the whole Boxer community to get involved in identifying and reporting cases to allow us to research the condition thoroughly.

The symptoms seen are increased thirst and therefore an increase in urination. Loss of appetite, weight loss, stunted growth, lethargy and vomiting are also seen in most cases. When the kidneys are examined by ultrasound they are smaller than normal and often uneven in shape. Symptoms usually start between four months and two years.

If you know of a possible case please email boxerhealth@btinternet.com and you will be sent all the details of what you need to do by return. Reasonable expenses which are incurred in providing samples will be covered by Boxer Breed Council. All reported cases will remain confidential to the Boxer Breed Council Health Committee and its scientific advisers.

Further details, including Questions and Answers are available on the health pages of the Breed Council website www.boxerbreedcouncil.co.uk
