JAPANESE AKITA

Exhibitors please note that the Japanese Akita as a breed no longer exists. There are now two breeds, American Akita and Akita Inu. Both these breeds have their own standard. Once a dog has been assessed as being either of the two breeds it can then be shown in the appropriate classes. At all shows where there are entries of un-assessed Akitas, three of the assessors on the panel drawn up by the Irish Kennel Club will be asked to attend and divide the dogs prior to judging of the breeds.
