ROYAL CANIN

If we thought all dogs were the same, we would be just another Pet Food Company.

A Chihuahua should not be fed the same food as a Great Dane.

Although this sounds like a logical statement many people do not take the Breed, Lifestyle or Size of their dog into account when considering their nutritional needs.

In fact it was ROYAL CANIN® who first understood the specific influences that Breed, Lifestyle and Size have on a dog's nutritional requirements, and launched the world's first food dedicated to the growth of large breed puppies in 1980.

ROYAL CANIN® pet food is only available from specialist retailers. Visit our website or call 0845 300 5011 to find a specialist near you.
