Ruth Wagner

Since always, I have been living with Collies. I even trained one Collie, bred by myself, as a Schutzhund.

In 1989, I started breeding Collies and Shelties under the kennel name of The kennel "von den Garnicher Eichen" became famous on an international scale because of shows and sport performances (We turned 20 of our dogs into show champions. Since 1996, our shelties have been permanent participants at the Agility-World-championships, including titles for the team as well as podium positions in individual. One of our dogs also had TV appearances because of dog-dancing).

For the last 15 years, Border Collies and from 2005 onwards, a Magyar Agar have become part of our family.

Since 1990, I have been a member of committee and general secretary of the Club "Collie et Bergers Britannique Club Luxembourg". In 2007, this club was renamed into "Bergers Britannique et Australian Shepherd Club Luxembourg". Today I am president of the Club.

In 1996, I came to be a specialist for British Herders. Later on, I also became a judge for the groups I, IV, V, X and Great Dane and Dobermann.
