EXHIBITORS PLEASE NOTE

The Japanese Akita

The Japanese Akita as a breed no longer exists. There are now two breeds; American Akita and Akita Inu - both these breeds have their own standards. Once a dog has been assessed as being of either of the two breeds it can be shown in the appropriate classes.

This means that in future both breeds should be classified in the schedule and there should be an identical classification for those dogs yet to be assessed. (Class 1 Akita Inu, Class 2 American Akita and Class 3 Akita Inu/American Akita (not yet assessed))

At all shows where there are entries of unassessed Akitas three of the assessors on the panel drawn up by the Irish Kennel Club will be asked to attend and divide the dogs prior to the judging of the breeds.

Videos

It is a Kennel Club regulation that permission must be sought from the Show promoting body for the use of video or other recording equipment. Permission must also be obtained from the judge in the ring on the day.

(Subject to Regulation 12 page 4)

Breeds Not Separately Listed

Breeds entered in the Breeds Not Separately Listed at National Championship Shows will be entered into their appropriate breed class and the breed listed in the Catalogue. A Judge may award a Green Star and Best of Breed in each breed to any dog unbeaten and eligible, if in his/her opinion they are of sufficient quality and graded excellent or in the case of puppies "Very Promising" Effective from 1st January 2011.

Cropped Dogs

Cropped dogs are not permitted to be exhibited at any Irish Kennel Club licenced event.
