AKITA EXHIBITORS PLEASE NOTE

The Japanese Akita as a breed no longer exists. There are now two breeds American Akita and Akita Inu - both these breeds have their own standards. Once a dog has been assessed as being of either of the two breeds it can be shown in the appropriate classes.

This means that in future both breeds should be classified in the schedule and there should be an identical classification for those dogs yet to be assessed. (Class 1 Akita Inu, Class 2 American Akita and Class 3 Akita Inu/American Akita Dog (not yet assessed)

At all shows where there are entries of unassessed Akitas One of the assessors on the panel drawn up by the Irish Kennel Club will be asked to attend and divide the dogs prior to the judging of the breeds.

We suggest that they are placed last in the order of judging, as the judge on the day will have to be absent from the ring during the assessment. It is envisaged that the number of unassessed dogs will decrease over the next six months and eventually all Akitas will be designated as America Akita or Akita Inu.
