Extract from F.C.I. Regulations for Judges at CACIB Shows

The dogs that the judge handles at a CACIB-show, **where he/she is not acting as a judge** must be either bred, owned or co-owned by him, a partner, a member of his immediate family or any person living with him/her in his/her household.

Dogs that have attained the title of CHAMPION with another FCI Kennel Club, resident in another FCI country, who win a Green Star at an Irish Kennel Club International Show will be awarded an Irish Kennel Club Championship title.

The Japanese Akita

The Japanese Akita as a breed no longer exists. There are now two breeds; Akita Inu and American Akita - both these breeds have their own standards. Once a dog has been assessed as being of either of the two breeds it can be shown in the appropriate classes.

This means that in future both breeds should be classified in the schedule and there should be an identical classification for those dogs yet to be assessed. (Class 1 Akita Inu, Class 2 American Akita and Class 3 Akita Inu/American Akita (not yet assessed))

At all shows where there are entries of unassessed Akitas three of the assessors on the panel drawn up by the Irish Kennel Club will be asked to attend and divide the dogs prior to the judging of the breeds.

Videos

It is a Kennel Club regulation that permission must be sought from the Show promoting body for the use of video or other recording equipment. Permission must also be obtained from the judge in the ring on the day.
