RULES FOR JUDGING & BEST IN SHOW

1. The Promoting Body will not accept any responsibility nor be under any obligation to see that dogs eligible to compete are exhibited in their particular Groups, or for Best in Show, other than announcing in the ring that judging is about to take place. The Promoting Body will not accept any responsibility in the case of an exhibit that is excluded from competing in a Group, owing to the judging of its breed not having been completed, or for any other reason.
2. Competition in Group Classes will be confined to undefeated winners in their breed.
3. No dog shall be entitled to compete in a Group where any prize or award has been withheld from it in its breed at the show.
4. A fee will not be payable for entry in any of the Groups nor for Best in Show.
5. Groups will be divided into ten sections - as defined in the Irish Kennel Club Rules & Regulations.
6. Upon entering the Group Ring Competitors must produce their correct ring number.
7. In each Group and Best in Show the judges shall make the following awards: viz, 1st, 2nd, 3rd etc. to 4th place, absentees MUST be marked.
8. Competition for Best in Show and Reserve Best in Show is confined to the winners of the ten groups.
9. If the Group Judging has not commenced before 4:30 p.m. a Best of Breed winner may leave the show but must notify the Show Secretary in writing that the exhibit will not be present for the Group judging. Otherwise all exhibits qualified for the Group must be exhibited therein. An exhibit failing to report for the Group will incur a fine of €100 and be disqualified from all wins on the day unless a valid reason is lodged with the Show Secretary before judging commences. A Group Winner failing to report for the Best in Show will incur a fine of €100 and be disqualified from all wins on the day unless a valid reason is lodged with the Show Secretary before judging commences.

The Stakes Classes scheduled at this Show are separate from the Breed Judging and do not come under the rules of the Green Star System, e.g. An exhibit which has been beaten in a Stakes Class but wins Best of Breed may proceed to compete in its relevant Group.

All exhibits who wish to enter Stakes Classes must be entered in their relevant Breed Classes with the exception of Champions/Veterans who may enter the Stakes Class only.

A separate judge other than the Best in Show or Group judge must be used for stakes classes (Best in Show qualified) **(effective from the 1st January 2011)**

Breeds Not Separately Listed

Breeds entered in the Breeds Not Separately Listed at National Championship Shows will be entered into their appropriate breed class and the breed listed in the Catalogue. A Judge may award a Green Star and Best of Breed in each breed to any dog unbeaten and eligible, if in his/her opinion they are of sufficient quality and graded excellent or in the case of puppies "Very Promising" Effective from 1st January 2011.

Cropped Dogs

Cropped dogs are not permitted to be exhibited at any Irish Kennel Club licenced event.

PLEASE NOTE: Dogs who have gained their Championship Title under English Kennel Club rules ought to be described as G.B. Ch. on Entry Form

AKITA EXHIBITORS PLEASE NOTE

The Japanese Akita as a breed no longer exists. There are now two breeds American Akita and Akita Inu - both these breeds have their own standards. Once a dog has been assessed as being of either of the two breeds it can be shown in the appropriate classes.

This means that in future both breeds should be classified in the schedule and there should be an identical classification for those dogs yet to be assessed. (Class 1 Akita Inu, Class 2 American Akita and Class 3 Akita Inu/American Akita (not yet assessed))

At all shows where there are entries of unassessed Akitas three of the assessors on the panel drawn up by the Irish Kennel Club will be asked to attend and divide the dogs prior to the judging of the breeds.

We suggest that they are placed last in the order of judging, as the judge on the day will have to be absent from the ring during the assessment. It is envisaged that the number of unassessed dogs will decrease over the next six months and eventually all Akitas will be designated as American Akita or Akita Inu.

VIDEO/CAMERAS

It is a Kennel Club Regulation that permission must be sought from the Show Promoting Body for the use of Video or other recording equipment. Permission must also be obtained from the Judge in the Ring on the day.

NO LATE ENTRIES ACCEPTED

Please send entries on time and with sufficient postage to ensure delivery on time.
